Dear Sir,

M<sup>o</sup> Gaetano Pagliuso is one of  
my best pupils of Composition and Conducting  
since 2008.

His dedication to operate as well symphonic  
repertoire is serious and deep: his interpretative  
attitude is interesting and original. Again, M<sup>o</sup>  
Pagliuso has the basic attitude of the real  
conductor: communication and fantasy!

In fede

Nicola Samale
